The following Mess Bylaws for the Officers' Mess have been approved and promulgated for use with an effective date of 1 Jul 2015.
2. The Officers' Mess was established for use by the NATO military officers and civilians assigned to HQ SACT. Such personnel will hold Regular membership in the Officers' Mess. 3. The HQ SACT Officers' Mess is an official HQ SACT Staff organization established under authority granted by the North Atlantic Council as a non-appropriated fund activity. Within the HQ SACT Staff organization, the Mess falls under the supervisory authority of the HQ SACT Chief of Staff (COS). Approval of the Mess Bylaws constitutes the charter under which the Mess will operate. The Mess President and Mess Committee have authority and responsibility for non-appropriated funds accrued by the Mess.
4. These Mess Bylaws will be subject to an annual review process and any suggestions for change should be passed to the Mess Committee for consideration.

This includes NLRs, PLNRs and members of their offices.

(2) **NIC Personnel.** NATO International Civilian (NIC) personnel of NATO 'A', 'B', or 'L' grades, from NATO nations other than the USA, assigned on the Peacetime Establishment at HQ SACT or formally associated with HQ SACT. Regular US Civilian Members have identical Mess privileges to other Regular Members except for duty/tax-free eligibility. Contractors refer to terms of Associate Membership.

c. **Honorary Membership.** An Honorary Membership can be awarded to those Members who have made particular and outstanding contributions to the Mess. Award of Honorary Membership requires the unanimous endorsement of the Mess Committee and approval by the Honorary Mess President. Normally, the Mess President will be awarded this membership upon departure from the Command. Recipients will pay no contribution or administrative fees. They have similar privileges to regular US Civilian Members.

d. **Associate Membership.** Associate Membership can be granted secretarially by the Mess President or designated Mess Committee representative, after submission of an application to the Mess Committee for consideration. Associate members have similar privileges to regular US Civilian members. Associate Membership can be offered to:

(1) **Military Personnel.** Military personnel of officer status serving in military organizations in the Hampton Roads area.

(2) **Civilian Personnel.** Civilian personnel of officer status serving in military organizations in the Hampton Roads area, including HQ SACT contractors.
